I honestly didn't seek Hannah out much this semester, but in the past she's done an excellent job as well.

I think that you were a great TA! You were always willing to answer questions regardless of office hours and you made sure that the topic(s) was/were clear before we left. The only nit-picky thing was that I think some of the most minor point deductions were not totally necessary, as the answers were not affected. Again, nit-picking here. Fantastic job and best of luck!
